

Quizmittee Plans

- Date = 6th of May
 - Talk to tav asap to confirm
 - Checked with events calendar with guild and it's a mess. Nothing seems to be scheduled
 - 6:00 or 6:30 start depending on what the Tav wants
- Sponsors
 - UCC plans sponsor stuff, maybe with PLE.
 - Get supplies for quiz night from that place on Broadway that just gives you stationary for free. Inquire with guild
 - UniSFA has already emailed sponsors and will do a sponsor crawl whilst picking things up
- Judges, Questions and Rounds
 - Judges will write the questions
 - Were a bit short on judges last years, should have about 4?
 - Trump round to replace Abbott round
 - Carameldansen is absolutely dead and we will not do it.
 - We don't like bonus questions too much
 - Table rounds, more creative? Creative table rounds.
 - We could do bonus questions on each round as a creative answered question.
- *Banter
- What to do if "issues"
 - If an executive decision about attendance or membership arises how do we deal with this?
 - We think that Quizmittee should decide on such matters
 - Quizmittee will deal with most things without interference from clubs if possible as it makes things easier.
- Club participation
 - Panto wants to join and we would like to have them
 - They will bring a lot of people
 - Profits will be split equally but the rest of us clubs are fine with this
 - Do we want to invite UWAnime?
 - They have their own little quiz night though.
 - Can we fit enough people?
 - We (Ryan) will ask their people
- Finances
 - UCC puts out initial hiring and costs
 - Clubs will sell their own tickets
 - UCC will not dispense tickets as it is far too much hassle
 - Have a separate bag for quiz money and tickets
- Prizes
 - Fewer prizes, lots was unwanted last year
 - Just prizes for 1st, 2nd, 3rd, last and table rounds
 - Less is more, better quality
 - Handmade, impressively shitty loser prizes

- Maybe something like a simple packet of biscuits or free food (Tav vouchers?) for table rounds
- We like the idea of Tav vouchers
- Budget money on actual prizes
- Panto wants to give out show tickets
- EMP
 - Who puts their name on the emp?
 - A single emp for the event
 - We should have a newer person do the emp for the experience as it's a simple emp to do
 - Elton to do the EMP with others to help him (Jake and Taylor)
 - Risk Assessment as well. Fill it with as many feasible (or not feasible) risks as possible.
- Food
 - Tav is now doing food later and could cater for us
 - Pizza was a horrifying experience to organise
 - Tav kitchen open until 8
 - Subway catering?
- Tables
 - 8 people per table
 - Prices to depends on hiring cost
- MCs and Judging
 - 4 Judges and 2 MCs?
 - Or 4 total and MCs switch out of judging?
 - Most of us are keen to do it.
 - Judges/MCs are the people who write the questions and the only people who
- Previous information we need
 - Question database (ask Winslade)
 - Finances (ask Jordy)
