 - Selling water at event for 50c
 - Proposed that a \$6 block of water is bought, and unigames pays for the % not sold and keeps them for sale in their clubroom
 - Food purchases to be made closer to or on day of event
- Advertising and Ticketing
 - Unigames has sold 3 tickets
 - Nope actually, 2 tickets
 - Unisfa has sold 1 ticket
 - This is not concerning, there has been a lot of interest, we'll likely sell more closer to the event
 - Unigames will promote and sell LARP tickets on Unigames camp
 - Decision made to not allow purchase of LARP tickets using snack vouchers

- Reasoning: complicates things due the use of a 'currency' only valid at one event (and included in the ticket price) to purchase tickets to another and may make it unclear when separating out money, this being an interclub event
- Tourney squares, what are we using to outline them?
 - Marques may damage swords and get damaged by swords
 - Cardboard boxes as corners?
 - Can we borrow cones from Guild
 - Autumn to look into getting cones from guild
 - Autumn to book BBQ for event
- Rules
 - Dual wield vs Sword and Shield
 - Make it clear that both options are available
 - Shield adds no HP but can be used to block
 - Character creation: armour
 - Light: 1 piece +1HP
 - Medium: 2-3 pieces +2HP
 - Heavy: 3+ pieces +3 HP
 - Basically, you're giving up mobility for HP
 - Max HP of 6
 - Parrying is A ok
 - Time limit proposed
 - 3-5min, not a hard and fast rule
 - If 3min is reached and neither swordsman is under half HP Ref is to encourage
 - If necessary, impose a 'next hit wins the match'
 - Forfeit is an available option
- Arts and Craft
 - People are able to bring in their own CRAFT MATERIALS only
 - No prebuild armour/weapons
 - No glitter
 - Character generation during Craft time, otherwise random generate character names
